

Christina Kirk

VP, Global Client Engagement

Christina Kirk is responsible for ensuring a successful client experience among all enterprise clients globally. Her team is charged with effective service adoption, positive client satisfaction, client retention, and continued contract renewals.

Within this role, Ms. Kirk brings extensive experience in global enterprise client relationships, business development, ERP, financial services, and sales. She is a proven leader with the ability to lead diverse teams towards enterprise goals while remaining sensitive to overall business objectives, and has worked with top Fortune 500 and Global 100 corporations in a variety of industries.

Ms. Kirk joined Rimini Street in 2010 after 10 years with Oracle, where she held a variety of strategic roles focusing on ensuring customer success and retention. She joined Oracle as part of its acquisitions of JD Edwards and PeopleSoft.

Ms. Kirk holds a Masters of Business Administration with a focus on global strategy and finance from the University of Colorado. She earned her Bachelor of Science degree in Finance from San Diego State University.

About Rimini Street, Inc.

Rimini Street is the leading independent provider of enterprise software support services. The company is redefining enterprise support services with an innovative, award-winning program that enables Oracle and SAP licensees to save up to 90 percent on total support costs over a decade, including saving 50 percent on their annual support fees. Clients can remain on their current software release without any required upgrades or migrations for at least 10 years. Hundreds of clients, including global, Fortune 500, midmarket, and public sector organizations from virtually all industries have selected Rimini Street as their trusted, independent support provider.
