Brian Slepko

SVP, Global Service Delivery

Brian Slepko is a 25 year enterprise software industry veteran with global operations experience in sales, support delivery, business operations, project management and quality systems. Mr. Slepko leads Rimini Street's continued fast-paced growth and expansion in global service delivery operations.

Mr. Slepko came to Rimini Street from Oracle Corporation (NASDAQ: ORCL), which he joined as part of Oracle's acquisition of Agile Software. Mr. Slepko served as vice president, global maintenance revenue and sales operations for Agile Software and was responsible for developing Agile's \$56 million global maintenance revenue business, including all operational aspects of the Agile Software global sales organization.

Earlier in his career, Mr. Slepko held various management positions with PeopleSoft, Inc. Most recently, he served as director of operations for the customer sales division responsible for more than \$1 billion in global annual maintenance revenue. Other positions included director of product support and corporate director of problem resolution, where Mr. Slepko led the redesign and improvement of the global infrastructure used to resolve

ABOUT RIMINI STREET, INC.

Rimini Street is the leading independent provider of enterprise software support services. The company is redefining enterprise support services with an innovative, award-winning program that enables Oracle and SAP licensees to save up to 90 percent on total support costs over a decade, including saving 50 percent on their annual support fees. Clients can remain on their current software release without any required upgrades or migrations for at least 15 years after switching to Rimini Street. Hundreds of clients, including global, Fortune 500, midmarket, and public sector organizations from across a broad range of industries have selected Rimini Street as their trusted, independent support provider.

customer-reported product issues and implemented consistent, measurable quality processes.

Mr. Slepko also served as director, sales operations for Ocular Sciences and began his career as a manager with Andersen Consulting (currently Accenture [NYSE: ACN]), where he was responsible for managing large information systems projects for Fortune 500 customers in Andersen's rapidly expanding telecommunications practice.

Mr. Slepko holds a Master of Business Administration from Loyola University of Chicago and a Bachelor of Business Administration in Management and Management Information Systems from the University of Oklahoma.
