

Emmanuelle Hose
Regional General Manager, Australia and New
Zealand

Rimini Street[®]
Engineered for Support[™]

Emmanuelle Hose is responsible for overseeing the sales and delivery of Rimini Street support services to foster continued market expansion and development of the Australian & New Zealand region.

Mrs. Hose brings over 24 years of proven experience in the IT industry leading enterprise software sales, service, and development operations across 3 continents: Europe, North America and Oceania. She has served in several executive roles at JDA Software and Manhattan Associates, including Sales Director for the Australian & New Zealand markets. She joined Rimini Street in 2014 as a Senior Account Executive and then Sales Director, winning multiple sales awards along the way. Mrs. Hose holds a Bachelor of Science (2/1) Hons (Upper Division) in Information Technologies from the University of Brighton (United Kingdom).

ABOUT RIMINI STREET, INC.

Rimini Street is the leading independent provider of enterprise software support services. The company is redefining enterprise support services with an innovative, award-winning program that enables Oracle and SAP licensees to save up to 90 percent on total support costs over a decade, including saving 50 percent on their annual support fees. Clients can remain on their current software release without any required upgrades or migrations for at least 15 years after switching to Rimini Street. Hundreds of clients, including global, Fortune 500, midmarket, and public sector organizations from across a broad range of industries have selected Rimini Street as their trusted, independent support provider.
