ABOUT RIMINI STREET, INC.

Rimini Street is the leading independent provider of enterprise software support services. The company is redefining enterprise support services with an innovative, award-winning program that enables Oracle and SAP licensees to save up to 90 percent on total support costs over a decade, including saving 50 percent on their annual support fees. Clients can remain on their current software release without any required upgrades or migrations for at least 15 years after switching to Rimini Street. Hundreds of clients, including global, Fortune 500, midmarket, and public sector organizations from across a broad range of industries have selected Rimini Street as their trusted, independent support provider.
