

Michael Bathon
VP, Cloud Services

Rimini Street[®]
Engineered for Support[™]

Michael Bathon is leading the growth of Rimini Street's Cloud Services practice. He has more than 30 years of experience with telecommunications, managed services, and cloud technologies. Since beginning his career at EDS, he has worked at Nextel, Sprint and Convergys, where he led development, production and customer-facing organizations. Prior to joining Rimini Street, he was leading the IT organization at Goodman Networks.

Mr. Bathon had also worked with Rimini Street as a client, using its services for more cost effective support of Oracle applications at two different organizations.

He is a graduate of the University of Notre Dame and received his MBA from the Florida Institute of Technology.

ABOUT RIMINI STREET, INC.

Rimini Street is the leading independent provider of enterprise software support services. The company is redefining enterprise support services with an innovative, award-winning program that enables Oracle and SAP licensees to save up to 90 percent on total support costs over a decade, including saving 50 percent on their annual support fees. Clients can remain on their current software release without any required upgrades or migrations for at least 15 years after switching to Rimini Street. Hundreds of clients, including global, Fortune 500, midmarket, and public sector organizations from across a broad range of industries have selected Rimini Street as their trusted, independent support provider.
