

Michael Davichick  
VP, Executive Client Relations

**Rimini Street**<sup>®</sup>  
**Engineered for Support**<sup>™</sup>

Michael Davichick is an enterprise software support sales veteran with over 25 years of career sales experience, including nearly 20 years in enterprise software support sales for Siebel, PeopleSoft and JD Edwards products. Mr. Davichick joined Rimini Street in 2006 to oversee sales of Rimini Street's next-generation enterprise software support services.

Earlier in his career, Mr. Davichick served as a senior account executive in the customer sales division at PeopleSoft, Inc. where he specialized in sales of special support programs including training, third-party and analytic products. Previous to PeopleSoft, Mr. Davichick served as an account executive with Triad Systems, Inc.

Over the course of his career, Mr. Davichick has helped more than 500 organizations successfully procure and transition to alternative maintenance programs, save significant budget funds, and enjoy better service tailored to meet each client's unique needs.

Mr. Davichick holds a Bachelor of Science in Business Management from the University of Phoenix.

**ABOUT RIMINI STREET, INC.**

Rimini Street is the leading independent provider of enterprise software support services. The company is redefining enterprise support services with an innovative, award-winning program that enables Oracle and SAP licensees to save up to 90 percent on total support costs over a decade, including saving 50 percent on their annual support fees. Clients can remain on their current software release without any required upgrades or migrations for at least 15 years after switching to Rimini Street. Hundreds of clients, including global, Fortune 500, midmarket, and public sector organizations from across a broad range of industries have selected Rimini Street as their trusted, independent support provider.
