

Mr. Grigsby is responsible for building and managing the delivery of all JD Edwards support services for Rimini Street clients.

Mr. Grigsby has over 30 years of IT experience. As a senior project manager he traveled globally for over 10 years assisting large global JDE customers with strategic decisions working with the JDE software as a programmer, consultant, project manager and Director of Global Enterprise Solutions while at JD Edwards.

Before joining Rimini Street, Mr. Grigsby spent over 18 years at JD Edwards, where he held various executive roles within the company. During that time, he designed, customized and managed JD Edwards implementations and migrations for global and mid-size companies, including Fortune 500 companies across a variety of industries and JD Edwards releases and products. In addition, he has assisted JD Edwards clients with project management, custom training development and strategic IT infrastructure decisions.

At JD Edwards, Mr. Grigsby provided strategic guidance to executives of companies implementing JD Edwards software, both World and EnterpriseOne. He also brings extensive experience managing JDE World to JDE EnterpriseOne migration projects.

Mr. Grigsby holds a BBA in Business Data Systems from the University of Texas.

ABOUT RIMINI STREET, INC.

Rimini Street is the leading independent provider of enterprise software support services. The company is redefining enterprise support services with an innovative, award-winning program that enables Oracle and SAP licensees to save up to 90 percent on total support costs over a decade, including saving 50 percent on their annual support fees. Clients can remain on their current software release without any required upgrades or migrations for at least 15 years after switching to Rimini Street. Hundreds of clients, including global, Fortune 500, midmarket, and public sector organizations from across a broad range of industries have selected Rimini Street as their trusted, independent support provider.
