Steven Salaets

CIO & SVP, Global Security, Quality & Internal Audit

Mr. Salaets is responsible for the overall leadership, strategic direction and execution of the Global IT Department as well as the Global Security and Compliance Department.

Under his leadership Rimini Street earned ISO 9001 and ISO 27001 certification in process, making Rimini Street the only ISO-certified provider of independent support for enterprise software.

Mr. Salaets has more than 20 years of global experience in operations, security, compliance, risk, information technology and human resources management.

Prior to joining Rimini Street Mr. Salaets held various management positions at Moody's KVM and Wind River -- leading global standardization and integration projects, managing global teams across APAC, EMEA and the USA, defining enterprise architectural solutions and running global IT and security offices across the globe.

Mr. Salaets is a recognized leader in the security industry and has received

ABOUT RIMINI STREET, INC.

Rimini Street is the leading independent provider of enterprise software support services. The company is redefining enterprise support services with an innovative, award-winning program that enables Oracle and SAP licensees to save up to 90 percent on total support costs over a decade, including saving 50 percent on their annual support fees. Clients can remain on their current software release without any required upgrades or migrations for at least 15 years after switching to Rimini Street. Hundreds of clients, including global, Fortune 500, midmarket, and public sector organizations from across a broad range of industries have selected Rimini Street as their trusted, independent support provider.
