

Sudhir Kumar is responsible for the delivery of Global Technology Support Services, which cover Oracle Database, including Exadata, Oracle Fusion Middleware, Oracle Identity Management, Oracle Business Intelligence, IBM Db2, MS SQL Server, SAP Sybase, Advanced Database Security, Essbase as well as the underlying technology and tools required to run major enterprise software. He leads a global engineering team tasked with resolving complex production issues, utilizing a 24/7/365 support model.

Mr. Kumar has nearly 30 years of experience in the development, implementation and management of large in-house business systems, implementation and support of Oracle eBusiness Suite, Oracle Fusion Middleware and Database administration. He has worked in the aerospace, construction, defense, engineering, IT consulting, manufacturing, oil & gas and telecom sectors.

He joined Rimini Street in 2013 as regional manager in Asia Pacific, supporting Oracle E-Business suite and Oracle technology and became Oracle Support Director for Asia Pacific and EMEA regions. Prior to Rimini Street, he was a Team leader of Corporate Applications at Santos, a pioneering Australian energy company. He has also held management and technical team lead roles at BAE Systems, a global defense, aerospace and security company. He led the early adoption of Oracle SOA Suite and Oracle Identity Management Suite products at BAE Systems and served on Customer Advisory Board (CAB) of Oracle SOA and Oracle Identity Management Products.

ABOUT RIMINI STREET, INC.

Rimini Street is the leading independent provider of enterprise software support services. The company is redefining enterprise support services with an innovative, award-winning program that enables Oracle and SAP licensees to save up to 90 percent on total support costs over a decade, including saving 50 percent on their annual support fees. Clients can remain on their current software release without any required upgrades or migrations for at least 15 years after switching to Rimini Street. Hundreds of clients, including global, Fortune 500, midmarket, and public sector organizations from across a broad range of industries have selected Rimini Street as their trusted, independent support provider.
