

Mr. Goldvug is a 15-year veteran of enterprise technology with a broad range of expertise spanning software and services. He has multi-functional global leadership experience in product management, research and development, business operations, sales and professional service operations, marketing, and business development.

Mr. Goldvug serves as Vice President, Global Operations at Rimini Street. He is a valued senior leader, leveraging proficiencies in sales execution, customer lifecycle oversight, and process transformation to ensure overall productivity, effectiveness, and scalability of the revenue organization.

Prior to joining Rimini Street, Mr. Goldvug held senior leadership roles across multiple functions at Calypso Technology, a world leader in cross-asset front-to-back solutions and managed services for financial markets. His responsibilities included research and development operations overseeing product management; quality assurance and product support; sales and professional services operations; and leading marketing, proposal, inside sales, and training departments.

Mr. Goldvug holds a Bachelor of Arts degree in Mathematical Finance and a Bachelor of Arts degree in Business Administration from Carnegie Mellon University.

ABOUT RIMINI STREET, INC.

Rimini Street is the leading independent provider of enterprise software support services. The company is redefining enterprise support services with an innovative, award-winning program that enables Oracle and SAP licensees to save up to 90 percent on total support costs over a decade, including saving 50 percent on their annual support fees. Clients can remain on their current software release without any required upgrades or migrations for at least 15 years after switching to Rimini Street. Hundreds of clients, including global, Fortune 500, midmarket, and public sector organizations from across a broad range of industries have selected Rimini Street as their trusted, independent support provider.
