

Hisamichi Nagamori
VP, Sales, Japan

Rimini Street[®]
Engineered for Support[™]

Mr. Nagamori is a 23-year veteran of the global IT industry with expertise in leading enterprise software sales, service, and development operations. He has a proven track record as a field executive in large multinational technology companies and as an entrepreneur leading a successful start-up.

Mr. Nagamori serves as Vice President, Sales, Japan at Rimini Street. He is responsible for overseeing sales to foster continued market expansion and development across Japan. He is also a founding team member of the Rimini Street office that opened in Japan in 2014.

Prior to joining Rimini Street, Mr. Nagamori held business development roles at IBM-in database security and audit software-and at Wipro Technologies, a global IT, consulting, and business process services company.

Previously, Mr. Nagamori held sales positions at SAP Japan and SAP America in business applications and consulting services.

Mr. Nagamori holds a Bachelor of Arts degree in Political Science and Economics from Meiji University in Tokyo.

ABOUT RIMINI STREET, INC.

Rimini Street is the leading independent provider of enterprise software support services. The company is redefining enterprise support services with an innovative, award-winning program that enables Oracle and SAP licensees to save up to 90 percent on total support costs over a decade, including saving 50 percent on their annual support fees. Clients can remain on their current software release without any required upgrades or migrations for at least 15 years after switching to Rimini Street. Hundreds of clients, including global, Fortune 500, midmarket, and public sector organizations from across a broad range of industries have selected Rimini Street as their trusted, independent support provider.
