

Hyungwook “Kevin” Kim
Regional GM, Korea

Rimini Street[®]
Engineered for Support[™]

Mr. Kim is responsible for leading the next phase of growth for Rimini Street in Korea, including managing sales, building the service delivery engineering team, and expanding operations to support the company's fast-paced growth in the country.

Mr. Kim has more than 20 years of experience with enterprise software sales and sales management. He is adept at handling large enterprise accounts where his deep understanding of the IT industry has helped him manage long and complex sales cycles.

Mr. Kim most recently served as senior sales director for Oracle Korea, where he led a team focused on Oracle software application sales to CIOs and IT leaders. Prior to Oracle, he directed and managed sales for SAP Korea and Compaq Korea, covering key vertical industries including manufacturing, CPG and retail.

Mr. Kim is a hands-on leader who actively engages with customers and excels in understanding diverse business requirements.

Mr. Kim holds a bachelor's degree in Chinese from Dankook University.

ABOUT RIMINI STREET, INC.

Rimini Street is the leading independent provider of enterprise software support services. The company is redefining enterprise support services with an innovative, award-winning program that enables Oracle and SAP licensees to save up to 90 percent on total support costs over a decade, including saving 50 percent on their annual support fees. Clients can remain on their current software release without any required upgrades or migrations for at least 15 years after switching to Rimini Street. Hundreds of clients, including global, Fortune 500, midmarket, and public sector organizations from across a broad range of industries have selected Rimini Street as their trusted, independent support provider.
