

Jack Oster
GM, Israel & Eastern Europe

Rimini Street[®]
Engineered for Support[™]

Jack Oster is responsible for leading the continued growth of Rimini Street's service offerings across Israel and Eastern Europe.

Mr. Oster was most recently the CIO of Cellcom, the largest mobile telecommunications provider in Israel. Prior to that, he was Senior Director of Global Delivery and Shared Services at Teva Pharmaceuticals, where he was also on the Global IT Management Team. Mr. Oster was instrumental in forming partnerships with Rimini Street while at both companies. Earlier in his career, he was Senior Manager at KPMG Consulting in its Hi-Tech and Supply Chain Management practice.

Mr. Oster holds a Bachelor of Science in Industrial Engineering from Tel Aviv University and a Masters of Business Administration from the Kellogg-Recanati International Executive MBA program offered jointly by Northwestern and Tel Aviv Universities.

ABOUT RIMINI STREET, INC.

Rimini Street is the leading independent provider of enterprise software support services. The company is redefining enterprise support services with an innovative, award-winning program that enables Oracle and SAP licensees to save up to 90 percent on total support costs over a decade, including saving 50 percent on their annual support fees. Clients can remain on their current software release without any required upgrades or migrations for at least 15 years after switching to Rimini Street. Hundreds of clients, including global, Fortune 500, midmarket, and public sector organizations from across a broad range of industries have selected Rimini Street as their trusted, independent support provider.
