

Jennifer Perry is responsible for the delivery and management of all SAP support services for Rimini Street clients. She leads a global team of technical and cross-functional experts who provide solutions for SAP's Business Suite and BusinessObjects. Having worked in the retail industry for many years, Ms. Perry brings with her a keen sense of client success and satisfaction.

Ms. Perry's career spans 21 years of IT experience with Fortune 100 and 500 companies in various industries, including many years of hands-on experience as a certified SAP implementation consultant. Prior to joining Rimini Street, Ms. Perry served in various roles starting out as an SAP implementation consultant in the manufacturing, insurance, natural gas, media, retail and telecom industries. She moved on to building and running global development teams responsible for implementing, upgrading and supporting all aspects of the SAP footprint.

ABOUT RIMINI STREET, INC.

Rimini Street is the leading independent provider of enterprise software support services. The company is redefining enterprise support services with an innovative, award-winning program that enables Oracle and SAP licensees to save up to 90 percent on total support costs over a decade, including saving 50 percent on their annual support fees. Clients can remain on their current software release without any required upgrades or migrations for at least 15 years after switching to Rimini Street. Hundreds of clients, including global, Fortune 500, midmarket, and public sector organizations from across a broad range of industries have selected Rimini Street as their trusted, independent support provider.
