

Jim Bengé is responsible for the delivery of enterprise software updates to keep Rimini Street's clients in compliance with constantly evolving tax, legal, and regulatory requirements. His team of senior-level developers uses an innovative combination of technology, methodology, and ISO 9001 certified processes to ensure clients receive the most accurate deliverables with the fastest update delivery cycle in the industry.

Mr. Bengé is an industry veteran with over 25 years of experience in all phases of the software development lifecycle. Specializing in Oracle and PeopleSoft applications and technologies, Mr. Bengé has a proven track record of delivering high-quality on-time deliverables. Since joining Rimini Street in 2008, his team has prepared tens of thousands of product updates for hundreds of clients around the world.

Earlier in his career, Mr. Bengé worked as a Development Manager at PeopleSoft focused on the Application Designer, PeopleTools Security, and Upgrade Utilities. Subsequent to PeopleSoft's acquisition by Oracle, Mr. Bengé served as Director of the Diagnostics and Test Tools team, providing functionality that enabled clients to quickly identify and resolve Oracle application issues.

Mr. Bengé holds a Bachelor of Science in Business Administration with a concentration in Information Systems from San Diego State University.

ABOUT RIMINI STREET, INC.

Rimini Street is the leading independent provider of enterprise software support services. The company is redefining enterprise support services with an innovative, award-winning program that enables Oracle and SAP licensees to save up to 90 percent on total support costs over a decade, including saving 50 percent on their annual support fees. Clients can remain on their current software release without any required upgrades or migrations for at least 15 years after switching to Rimini Street. Hundreds of clients, including global, Fortune 500, midmarket, and public sector organizations from across a broad range of industries have selected Rimini Street as their trusted, independent support provider.
