

Mr. Maddock is a 26-year software support and technology industry veteran.

Mr. Maddock oversees worldwide recurring revenue sales.

Prior to joining Rimini Street, Mr. Maddock served as executive vice president of worldwide inside sales and operations for ServiceSource, the industry leader in outsourced maintenance renewal and sales for technology companies. Mr. Maddock served as a member of the executive team where he had overall global leadership and P&L responsibilities for building, scaling and operating a 500-person sales organization that delivered more than \$1 billion in service sales and a five-fold increase in revenue growth.

Prior to ServiceSource, Mr. Maddock was vice president of worldwide support service sales at PeopleSoft, Inc. (acquired by Oracle Corporation) with responsibility for the development, strategic direction and day-to-day leadership of a global sales organization. During Mr. Maddock's tenure at PeopleSoft, he oversaw worldwide growth in annual support services revenue for PeopleSoft and JD Edwards products from \$250 million to more than \$1.2 billion annually. Mr. Maddock's responsibilities also included worldwide systems and processes for support renewal management and participation in worldwide pricing model and release support policies.

Earlier in his career, Mr. Maddock held a management role with KPMG Consulting in its financial services strategy and operations division. Prior to KPMG, Mr. Maddock managed large software development and implementation projects at Andersen Consulting (now Accenture).

Mr. Maddock received a Bachelors of Business Administration in Finance with Honors from the University of Notre Dame and an MBA from the Anderson School of Management at UCLA.
