

Luiz Mariotto
VP, Client Engagement & Service Delivery,
LATAM

Rimini Street[®]
Engineered for Support[™]

Luiz Mariotto is responsible for Rimini Street's overall solution portfolio and service delivery operational success in Latin America, including customer engagement, strategic sales support and management of the Company's service delivery team in the region.

Mr. Mariotto has spent more than 27 years in the IT industry, with experience in enterprise software sales, consulting, delivery and large-enterprise IT. He served at SAP Brazil for 15 years, where he held various leadership positions in consulting, product management, solution architecture and sales. Mr. Mariotto has also worked in Germany at SAP AG headquarters, leading a global program to accelerate the adoption of new solutions in fast-growth markets. Prior to joining Rimini Street, he worked as Solutions & Technology Vice President (CTO) at Software AG Latin America and Sales Director at Samsung SDS.

Mr. Mariotto holds a Bachelor of Computer Science and MBA from EAESP/FGV at São Paulo.

ABOUT RIMINI STREET, INC.

Rimini Street is the leading independent provider of enterprise software support services. The company is redefining enterprise support services with an innovative, award-winning program that enables Oracle and SAP licensees to save up to 90 percent on total support costs over a decade, including saving 50 percent on their annual support fees. Clients can remain on their current software release without any required upgrades or migrations for at least 15 years after switching to Rimini Street. Hundreds of clients, including global, Fortune 500, midmarket, and public sector organizations from across a broad range of industries have selected Rimini Street as their trusted, independent support provider.
