Rimini Street®
Engineered for Support™

Tony Kirk is a proven leader and an industry veteran with over 25 years of years of executive experience in enterprise software, managed services and consulting.

He joined Rimini Street from Highstreet IT Solutions, where he served as President, Professional Services Division, developing long term strategic initiatives and running daily operations. Prior to Highstreet, he was President and COO of Enterprise Solutions Group and held leadership positions at PeopleSoft USA and Platinum Software.

Mr. Kirk has built successful sales, operations and leadership teams for startups, as well as, global enterprises. He has led teams in industry verticals such as Healthcare, Retail, Manufacturing, Financial Services, Non-Profit, Public Sector and Higher Education.

He holds a Bachelor of Science degree from The Robert H. Smith School of Business, University of Maryland, College Park.

ABOUT RIMINI STREET, INC.

Rimini Street is the leading independent provider of enterprise software support services. The company is redefining enterprise support services with an innovative, award-winning program that enables Oracle and SAP licensees to save up to 90 percent on total support costs over a decade, including saving 50 percent on their annual support fees. Clients can remain on their current software release without any required upgrades or migrations for at least 15 years after switching to Rimini Street. Hundreds of clients, including global, Fortune 500, midmarket, and public sector organizations from across a broad range of industries have selected Rimini Street as their trusted, independent support provider.
