

Richard Noble

GVP, Information Technology

Rimini Street

Mr. Noble has over 20 years of IT leadership experience in governance, project and program management, business relationship management, and strategic planning for Fortune 500 organizations.

At Rimini Street, Mr. Noble serves as Group Vice President for IT, responsible for designing and executing an effective global strategy and overall management of the Rimini Street Global Information Technology Organization. In this role, he drives the development of enterprise technology standards, governance processes, and performance metrics.

Prior to joining Rimini Street, he was Vice President, Business Partnership and IT Governance, Risk, and Compliance for the Welk Resort Group based in San Diego CA, where he focused on IT and business alignment, enterprise program management, governance, risk, and compliance, as well as corporate strategic planning. Before that he led large scale IT implementations of SAP and Siebel Systems for HD Supply and General Electric.

Mr. Noble holds a Bachelor of Science degree in Finance from Susquehanna University.
