

Stephen Zimmerman

GVP & Regional GM, North America - South and Southwest Region

Rimini Street

Stephen Zimmerman is a consulting services executive and IT transformation practice leader with more than 25 years of experience building teams for both large and start-up organizations.

At Rimini Street, Mr. Zimmerman serves as Group Vice President and General Manager, responsible for overseeing sales, service delivery, and client success for the South and Southwest Region in North America.

He joined Rimini Street from Insight Enterprises where he was a managing principal in the Cloud and Datacenter Transformation consulting organization. Prior to this, Mr. Zimmerman was a managing director with Dell Technologies/EMC Corporation. He has experience driving growth strategies for sales and delivery operations in the enterprise and mid-market. During his 10 years with Dell Technologies/EMC Corporation, he held several leadership roles within Global Services including global services lead for the Western Division and leadership roles in the organization's IT Transformation Consulting Practice.

Mr. Zimmerman holds a Bachelor of Science degree in Management Information Systems from Pennsylvania State University.
