

Navigating a Cancer Journey or Chronic Condition

Receiving a cancer or chronic condition diagnosis can be an overwhelming experience. It's hard to know where to start.

Cariloop can help you and your family navigate a new or existing health challenge.

Use your Cariloop benefit to:

- ♥ **Understand the Diagnosis:** Your Care Coach can help research the diagnosis and treatment options, and provide tips for managing side effects. They can also help you navigate insurance and financial aid options.
- ♥ **Get Organized:** Access tools like the medication tracker, provider lists and scheduling system to manage daily checklists and weekly appointments.
- ♥ **Find Support:** A Care Coach can help you find vetted specialists, rehabilitation services, home health aids, respite care, and more.

Getting started is easy:

Activate your account or log in at the URL below.

Open a case and connect with a Care Coach for expert guidance.

Access tools and a community within the Care Portal.
